

*Loving God,
You made both of us.*

*You love us and you know us so well.
It was your hand that led us to one another.
Now, as we prepare to begin our journey
together, united in love, we turn to you.*

*Help us to be for one another a gentle lover,
a generous listener, a firm supporter,
a best friend. Never let us take each
other for granted.*

*Help us to understand even in times of
anger that love brought us together. Fill each
day with some new discovery about our love,
about your spark in us.*

*Through our good times and bad, our joys
and sorrows, be with us, guiding us and
holding us in your gentle embrace.*

Amen.
