

ADDENDUM

FRAUD POLICY AND FRAUD RESPONSE PLAN

Diocese of Syracuse

This Addendum to the Fraud Policy and Fraud Response Plan of the Diocese of Syracuse is to afford an opportunity for persons who engaged in actual or potential fraud regarding Diocesan, Parish or funds of entities related to the Diocese to voluntarily report directly or through legal counsel their indiscretions to any of those persons identified in the Fraud Policy. This amnesty period shall be in effect from May 1, 2012 to August 1, 2012 but not apply to matters already under review by the Diocese.

Voluntary reporting will minimize, though in not all cases eliminate, appropriate actions by the Diocese including referrals to government authorities or adverse employment actions. Restitution will remain a key component of any required response to reported fraud during the amnesty period.
